

MASTIC BY PLY GEM V.I.P. LIMITED LIFETIME WARRANTY DESIGNER ACCENTS

Mastic Home Exterior by Ply Gem manufactures Louvered / Raised Panel Shutters, Gable Vents, Fixture Mounts, Mantels and Door Surrounds (the "Products") in accordance with high standards and tight quality controls. The Products will not rust or corrode because they are made of special resins. The Products will be free from manufacturing defects which result in cracking or splitting.

WHAT DOES THIS WARRANTY COVER?

Limited Lifetime Warranty Manufacturing Defects. Mastic Home Exterior by Ply Gem warrants to you, the owner of the property at the time the Products were installed, that the Products are free from defects in material and workmanship in the course of manufacture if installed according to our specifications.

Limited Fade Warranty. Mastic Home Exterior by Ply Gem also warrants to you that for a limited period specified below, the Products will not excessively fade. **"Excessive Fading" is more than 'normal fading' (see below) which is in excess of a Delta E of 7 Hunter units for a period of 7 years following the installation date, as determined by Mastic Home Exterior by Ply Gem.**

This Warranty is limited to the terms and conditions, exclusions and limitations, requirements and legal rights stated in this Warranty.

HOW LONG DOES THE COVERAGE LAST?

If you are an individual, this Limited Lifetime Warranty lasts for the life of the property on which the Products were originally applied ("Property") for as long as you own the Property. If you are not an individual (e.g., you are a corporation, condominium, cooperative housing arrangement, unincorporated association, school, church, government or public entity, etc.), the warranty period will be 50 years from the date of original installation of the Products on the Property, prorated as outlined in the Warranty Coverage Schedule below. This Limited Lifetime Warranty may be transferred with the Property. However, upon the transfer, the warranty period will be no more than 50 years from the date of original installation of the Products on the Property, prorated in accordance with the Warranty Coverage Schedule below.

WHAT WILL WE DO?

You must notify us in accordance with the notice requirements outlined below, and we must validate the complaint. Upon the notification and validation, we will undertake the following:

At our sole option, we will either repair, replace, refinish or refund to you the value of the Products found to be defective (or prorated if this Warranty is transferred). Our obligations under this Warranty will in no event exceed the purchase price of the originally installed Products found to be defective. Any additional costs and expenses beyond these amounts are your responsibility.

In the event of repair, replacement or refinishing under this Warranty, the Warranty applicable to the replacement material or to the repaired or refinished Products will extend only for the time remaining under the original Warranty.

Excessive Color Fade means a change in the color of any siding in excess of a Delta E of seven Hunter units in the first seven years, as determined by us, following the initial installation provided that any uneven or abnormal fade distribution is not due to a buildup or accumulation of stains, dirt, mold, mildew, or any other deficiency caused by the lack of at least an annual preventative maintenance by the homeowner as such annual preventative maintenance is described in the Mastic Home Exterior by Ply Gem Installation Manual.

First-time Transferee means the first individual, person or entity to which any interest of the initial purchaser in the building on which the siding is initially installed or in the siding itself is voluntarily or involuntarily conveyed, transferred or assigned, whether by gift, sale or operation of law, after the initial installation of the siding.

Weathering means changes caused by exposure to sunlight, rain, air pollution, variations in temperature and other atmospheric conditions.
